

CHINA 2010

PERMISSION TO DISPENSE "OVER THE COUNTER" MEDICATIONS

Dear Parents,

We are looking forward to an exciting tour to China. In addition to the usual bumps and bruises, students occasionally come down with common illnesses such as indigestion, colds, headaches and muscle ache. The purpose of this letter is to ask for your permission to dispense "over the counter" medications including but not limited to Tylenol or ibuprofen, decongestant/antihistamine, Pepto-Bismol, and Maalox. The decision to administer these will be made by the medical chaperones accompanying the band on tour. If at any time there is a question about the cause or severity of the illness, students will be transported to a local hospital for further evaluation, at your expense.

Thank You,

David A. Leach
Director of Bands

I have read the above letter and authorize the designated Pioneer High School Band tour chaperones to **dispense "over the counter" medications** as needed to my

Son/Daughter _____ during the 2010
Pioneer Band Tour to China.

My child is allergic to the following over the counter medications:
