Directors Reports:

Nancy Waring introduced herself as the **Associate Director of the Pioneer Bands**. She stated she has worked with all the bands and will get to know all the students. She requested e-mails if there are any concerns. Ms. Waring said this year the Varsity Band is the largest ever and the students have great attitudes. During the first two weeks Ms. Waring had the Varsity Band practice marching so that the students could realize that marching is actually fun. She stated she is very much looking forward to the school year.

David Leach, Director of the Pioneer Bands, stated how important the Pioneer Band Association is to the success of the program. He said that Band Camp was very successful. The students have already started game marching practice with all the music arranged and charted by the students. Music for Symphony and Concert would be delivered during the next two weeks. Chair auditions would take place in late October and early November for Concert and Symphony. Mr. Leach explained he is not a particular fan of chair placement. He has the students play in front of the class only to help the student. Jazz Band will be playing with Paul Kellor. Mr. Leach asked parents to watch the Web site and to please

e-mail with any concerns. He explained he has an open door policy with his classroom; he welcomes visits, and reminded parents to encourage their children to practice. Mr. Leach asked for volunteers to help put together a school board presentation. He was especially interested in parents of students who have visited Austria and who could explain what it meant to their child and what the music program specifically means to their child. He also asked if anyone knew of any group in the community in need of a small group to play to please let him know. Mr. Leach presented highlights of the Austria Tour.

Committee Reports:

PBA Clothing: Anne Bodnar asked if anyone was interested in purchasing band apparel to please have the order in by September 18. Students will be able to pickup the order in the band room.

Senior Activities: Jean Wedemeyer asked that forms for the Omega ad be turned in quickly. October 6th is senior recognition at the football game. Directions will be forthcoming.

Uniform Team: Corinne Nair thanked everyone who helped with uniforms. The team is in the process of examining the possibility of buying new uniforms. More volunteers are needed to help with Concert uniforms.

Candy Sale: Mr. Leach gave information concerning the annual candy sale.

Car Wash: David Wallner, chair of the Car Wash Fundraiser explained that 90% of the revenue generated by the car wash was pledge driven and therefore it was very important that the students actively work on the pledge sheet. He further explained that the 90% was generated by only 50% of the students. To make the fundraiser even more successful it would be necessary to increase participation. He asked the following: 1) sign up to help, 2) encourage kids to get pledges, and finally, 3) to encourage your child to encourage other children.

PTSO Thrift Shop: Denise Held explained the functioning of the Thrift Shop and stated everyone is required to work four hours or donate \$40.
