## Building a Foundation for Musical Excellence

### Welcome to the Pioneer Band Association

The Band Program at Ann Arbor Pioneer High School has a rich history, a vibrant present and a promising future. As part of the Pioneer Music Department, the Pioneer Bands share the honor of being named the 2006 National GRAMMY Signature School by the GRAMMY Foundation, an honor which exemplifies the quality of our music program at Pioneer as the top public high school music program in the nation.

The Pioneer Band Association was formed over 20 years ago as a parent booster club for the bands. It draws most of its membership from the parents of current band students and staff, but membership is open to all alumni and friends who want to advance the band program. With Pioneer's large student population, membership in the PBA is a great way to keep the school experience personal, especially for new parents and students.

The mission of the Pioneer Band Association is to provide financial and physical support to the directors, students and families of the Pioneer Band Program. Our purpose is to promote and enhance the quality of the total band experience for all. To achieve these goals, the Band Association pledges to

- support the band program with supplemental financial aid and with the donation of volunteer time and talents
- encourage excellence in musicianship
- encourage and nurture the social growth and friendships of both students and parents
- work to foster responsibility, pride, school spirit and good sportsmanship

To do this, we are heavily involved with performance, social and fundraising activities, and generally helping any way we can. The Pioneer Band Association uses the funds it raises to help meet the high costs of instruments, supplies, and expenses of improving and exhibiting our band program. Every band student and family is expected to participate actively in several fund raising events each year to continue our current level of support for the Pioneer Bands. Funding for special events, such as the recent trips to New York and Austria, require an extra special effort.

The Pioneer Band Association is a 501(c)3 non-profit tax-exempt cultural organization, and like all such organizations, we depend on the generosity of our members and our supporters. Contributions to the PBA are tax deductible. The PBA will qualify for most employer charitable matching grant programs. If you are interested in making a contribution, please contact our Treasurer.

The Pioneer Band Association is only as strong as its membership. We ask for the active commitment of everyone involved: students, parents and staff. If everyone gives a little, your band student gains a lot. This is your chance to get involved in your child's life and make a BIG difference to the Pioneer Bands. We are always looking for people to assist in various activities throughout the school year. Students and parents are asked to fill out the 2008-2009 Registration Form included with the Band Camp issue of the newsletter or contact one of the PBA Officers.

#### Don't WAIT:

- Volunteer to help with one or more of the committees
- Attend Pioneer Band Association meetings
- Participate in all of our Pioneer Band activities to support our students

## The Bands

The Pioneer Band Program is made up of four major and distinct performing ensembles, plus various other opportunities for students to play as part of smaller ensembles:

### Varsity Band

Students of the Varsity Band work on developing their musical skills within their instrument family of brass or woodwinds. The ensemble comes together as a complete band several times a year to further develop their group skills and to participate in school concerts.

### Concert Band

Students in the Concert Band have demonstrated an advanced level of musical ability. The ensemble concentrates on concert performance throughout the year, participating in all regular school concerts and festivals. The Concert Band also works on marching fundamentals in the fall, joining the regular Marching Band on the field at the Homecoming Game.

### Symphony Band

Students in the Symphony Band consistently achieve a superior level of performance. In the fall, the Symphony Band serves as **The Marching Band** and performs at home football games. The remainder of the year is focused on concert rehearsals, preparing the ensemble for adjudication at band festivals and performance at public concerts.

### Jazz Band

Students in this ensemble study and rehearse a variety of jazz styles, including classic arrangements and improvisation. The Jazz Band presents several concerts throughout the year.

### Auditions

Participation in the Pioneer Bands is *by audition only*. All incoming freshmen audition at their middle school each spring and are assigned to the appropriate band. Chair placement is by audition in the Fall. Audition music is provided by Mr. Leach.

**David A. Leach**

### Director of Bands

Born and raised in Ann Arbor and a proud graduate of Huron High School, David A. Leach has served as Director of Bands at Pioneer High School since 2002. He received his Bachelor's and Master's Degrees in Music Education at Eastern Michigan University and studied trumpet with Professor Carter Eggers, conducting with Professor Russell Reed and Dr. Max Plank, and attended master classes in conducting with Professor Elizabeth A.H. Green. He began his teaching career at Ypsilanti High School and spent fourteen years there before coming to Ann Arbor. Mr. Leach has served on the executive board of the Michigan School Band and Orchestra Association's District XII as Secretary and Vice-President of Adjudication and has been a member of the organization since 1988. He is a member of the Music Educators National Conference. He is a member of the Ann Arbor First United Methodist Church, where he is a member of the Music Committee. Mr. Leach has been included in Who's Who Among America's Teachers three times, a listing of the best teachers in America selected by their students. In 2000 the University of Michigan chapter of the national music fraternity Phi Mu Alpha Sinfonia honored Mr. Leach with the Scott Pendleton Memorial Award for outstanding achievement in music education. In 1999, 2001, 2002, and 2005 he was nominated for Disney's American Teacher Award. He is the 2005-06 Michigan School Band and Orchestra Association District XII Teacher of the Year. He is a proud member of the 2006 National GRAMMY Signature School Award-winning Pioneer Music Department, the top high school music program in the nation.

**Nancy Waring**

### Associate Director of Bands

Nancy Waring has worked with the bands at Pioneer High School since 1992. She has helped to produce the high level of performances for which the bands are known at music festivals and performances here in Michigan as well as Orlando, Chicago, Boston, New York, Virginia Beach, Myrtle Beach, Toronto, Orlando, and Beijing and Tianjin, China. During her tenure the Pioneer Music Department has been honored by the Grammy Foundation as The 2006 National GRAMMY Signature School, the most outstanding high school music department in the nation. The department was also awarded Grammy Gold Signature School awards, one of the top seven high school music departments, in 2004 and 2005, and Grammy Signature School awards, one of the top fifty high school music departments, in 2002 and 2003. Ms. Waring is included in the ninth edition of Who's Who Among America's Teachers, a listing of the best teachers in America selected by their students. Ms. Waring's teachers include Roy Ernst, Larry Teal, Joseph Mariano, Keith Bryan, and Elizabeth A.H. Green. She is a graduate of The University of Michigan School of Music where she received a Bachelor of Music degree in Music Education (1971) and a Master of Music degree in Flute Performance (1972). She has performed as principal flutist and soloist with several orchestras in southeast Michigan. Before her appointment at Pioneer High School she was substitute flutist with the Detroit Symphony Orchestra. At present she is the flutist with the Intrada Woodwind Quintet and freelances with area orchestras when time permits. Ms. Waring has taught flute on the faculties of the University of Toledo and the Interlochen Arts Academy. She has maintained a private flute studio in the Ann Arbor area for other thirty years. Ms. Waring also wrote the proposal for, developed the course structure and content for, and teaches the Music Theory and Technology course at Pioneer High School.

## FROM THE PODIUM

---

I am hopeful that you all have enjoyed a lovely summer. Things are already in high gear for the bands of Pioneer. We are looking forward with great anticipation to another musically diverse and challenging year! The two Pioneer Drum Lines (Conga & Ashiko) are already in full swing and from the sound of things it will be as good as ever. Coaches (from Pioneer's past) have spent a lot of their summer helping this current crop of percussionists understand Pioneer's traditions of style, and proficiency. A special thank you to Brian Young (EMU), Billy Harrington (U of M), Louis Barry (U of M), Amy Fingerle (U of M), Evvy Daugherty (Macalester), David Glanville (WMU/WCCC), and Graham Lesley (MSU, now in the Navy), for donating their time, talents, and expertise. This helps us maintain Pioneer percussion's tradition of excellence. The Pioneer Symphony Flag Rank is also spending time preparing for a special performance at Interlochen. Like our percussion section, our flags benefit from Pioneer Alumni giving their time to help insure the future. A special thanks to Tina Smith (San Diego State), and Wenting Guo (U of M) for generously sharing their talents with this year's members so that they too proudly represent Pioneer!

Please remember **all-band registration takes place Monday, August 11th**, Band Camp runs from August 12th through the 18th. Please plan on joining us **Sunday August 17th** for our **Annual Band Camp Concert and Marching Demonstration** at the beautiful Interlochen Center for the Arts, you will not believe your ears or eyes!!!

All the best,

*David A. Leach, Director of Bands*

### Classroom Activities

The structure of the band program is determined by the Director of Bands. The current structure is designed to help student musicians develop their individual skills, techniques and understanding of band music, and then to contribute as part of a balanced ensemble.

As with any public school classroom activity, parents are encouraged to read through curriculum guides, attend capsule night and communicate effectively with the instructor. It is the parents' responsibility to maintain a reasonable and effective relationship with both their student and the teacher to maximize the benefits of the educational experience.

While the Pioneer Band Association is an advocate for the band program, it is neither a remedy for personal or family problems with classroom activities, nor a vehicle for evaluating the instructors or the teaching plan.

### Fundraising Activities

Pioneer Band Association fundraising provides revenue to cover expenses to support band activities. Some activities are focused on individual events (for example tour events), while others fund ongoing expenses for equipment, music, and other PBA sponsored activities. This year's fundraising activities include:

- **PTSO Thrift Shop** (see back page)
- **Car Wash** in September
- **Candy Sale** in September
- **Band Gala** in February
- **Band Festival Concession** in March
- **Picnic Pops** in May

### Band Camp

All Pioneer High School Band students are invited and encouraged to attend the annual Band Camp at Interlochen in August. See our Band Camp Bulletin Issue for further details about this experience.

### Performance Activities

The Pioneer Bands perform several concerts each year. In addition, the band ensembles, along with small group ensembles and individuals, participate in various music festivals. This year's performance activities include:

- **MARCHING BAND** pre-game and half-time shows at all home football games. PBA volunteers provide a safe escort to and from the game for the band as they march to the stadium.
- **JAZZ BAND CONCERT** in January
- **DISTRICT SOLO & ENSEMBLE FESTIVAL** in January
- **WINTER BANDS CONCERT** in February
- **BAND FESTIVAL** in March, held at Pioneer. Band Association volunteers run a food concession.
- **BANDS IN REVIEW** in March
- **STATE SOLO & ENSEMBLE FESTIVAL** in March
- **PICNIC POPS CONCERT** in May
- **JAZZ BAND SUMMIT** in May

Further details on each performance will be explained in the classroom, at PBA meetings and in future communications. See the 2008-2009 Band Calendar for specific dates, times and participating groups for each activity.

### Uniforms

Symphony Band and Concert Band will receive Marching Band uniforms, which are coat, pants, hat, and black shoes. Symphony Band, Concert Band and Varsity Band concert uniforms consist of black tuxedos for men, black dresses for women. All Students are required to provide their own black shoes, and some males are required to provide their own white dress shirts. All uniforms are fitted and distributed during the appropriate marching or concert season. PBA members are in charge of the Uniform Team, and help is needed for distribution. Forms are sent home in the summer requesting measurements for each band student so the appropriate uniform can be found. These forms are turned in at the time of band camp registration.

### Social Activities

Several activities are planned each year to build friendships and esprit de corps among our band students and families. This year's social activities include:

- A **Band Picnic** at Allmendinger Park in September
- A **Bowling Party** in January
- A **Band GALA** in February
- A **Band Banquet** in May
- A **Senior Luncheon** in June

Further details on each social activity will be explained in the classroom, at PBA meetings and in future communications. See the Band Calendar for specific dates, times and participating groups for each activity.

## Registration Form

Your participation is vital to the success of the Pioneer Band Program. In order to facilitate the administration and communication of your support activities, we ask that each parent, student and friend of the Pioneer Band Association fill out the Parent/Guardian Information Form (pages 2 & 3 of the Registration Form). This provides not only basic personal data, but also a way for members to volunteer for various host or helper roles in our organization. Descriptions for these roles can be found in detail on our website.

**Completed forms should be returned by Thursday, September 4th, during the first week of school.**

## Calendar

Students are required to attend all the official band functions for their group. It is very important to enter all the dates on your calendar at the beginning of the year. You will find the announced dates on the **2008-2009 Performance Calendar** provided to your student at Band Camp Registration or during the first week of school, and an acknowledgement slip needs to be signed by all students and parents and returned. The Calendar includes all PBA meetings and special events. Included with this Welcome Issue is a comprehensive Calendar of Activities for posting to your refrigerator, bulletin board or other favorite location. Additional copies may be requested for family and friends.

## Meetings

Pioneer Band Association meetings are a great way to meet fellow parents, the officers & the directors, find out more about upcoming events and participate in the official business of the Association. Meetings are held from 7:30 to 8:30 pm in the Pioneer Band room (B126). The 2008-2009 PBA meeting dates are:

- **Tuesday, September 9, 2008**  
**Welcome to our new members**
- **Tuesday, October 14, 2008**
- **Tuesday, November 11, 2008**
- **Tuesday, December 9, 2008**
- **Tuesday, January 13, 2009**
- **Tuesday, February 10, 2009**
- **Tuesday, March 10, 2009**
- **Tuesday, April 21, 2009**  
**Annual Meeting & Elections**
- **NO May Meeting (Band Banquet)**
- **Tuesday, June 9, 2009**

*In addition, several committee meetings have been scheduled.*

## Newsletter

The Pioneer Band Association will publish seven issues of Notes:

- Band Camp Issues #1, #2, #3
- Welcome Issue
- September-October Issue
- November-December Issue
- January-February Issue
- March-April Issue
- May-June Issue

Feel free to submit materials for publication in our newsletter to:

Kathy Toy-Nao  
newsletter@aapioneerbands.org

## Website

The Pioneer Band Association maintains our very own website, allowing us to make information available to our members and friends on the internet. Visit us at:

**[www.aapioneerbands.org](http://www.aapioneerbands.org)**

## Directory

The Band Directory contains band rosters and band member information, in addition to important information regarding the band's activities and calendar. It is normally published in September.

## E-mail

The Pioneer Band Association uses e-mail as an effective and efficient way to disseminate last-minute announcements and take surveys. If you use e-mail, be sure to provide your address on the 2008-2009 Registration Form. E-mail addresses change often; keep us up to date at

**[mail@aapioneerbands.org](mailto:mail@aapioneerbands.org)**.

We also use our e-mail system to quickly spread news and messages about important events. We may use a manual system, which uses a pyramid list of member names requiring one person to pass along the message to the next name(s) under them. This will depend on the response we get on our Registration Forms!

## PBA Administration

Our organization is governed by the Bylaws of the Pioneer Band Association. The bylaws were reviewed and revised this past year to meet our current situation and needs. Copies are available upon request.

Our current Officers manage the ongoing administration of the Association. Any questions or concerns that you feel have not been adequately addressed in the newsletter, at meetings, on our website, or in other communications should be directed to one of the officers.

## Handbook

The Pioneer Bands Handbook covers a wide variety of subjects and provides valuable information to every Band Student and Family, and is distributed at Registration (August 11, 2008).

## SAVE THE DATE!

**The Fifth Annual Pioneer Band Gala & Auction** will be held on Sunday, February 8, 2009, from 5:30-9:00 p.m. at the Four Points Sheraton, Ann Arbor. The Band Gala & Auction is not only a major fundraiser, but it is also an opportunity to celebrate and highlight our award-winning program. This adult-oriented event features a large silent auction, a live auction with professional auctioneer, a buffet-style hors d'oeuvre reception, and performances representing our band program. It is a fun and entertaining evening and open to the entire community. Please save the date and pass the word on. Tickets will be available in November for \$30 per person.

We are looking for volunteers to help with the Pioneer Band Gala & Auction. We need immediate assistance with the Donations and Publicity Committees. Donations involves contacting local businesses for auction item donations or to purchase advertising in our program. We send out over 300 letters to area businesses but need help following up. Publicity involves getting the word out about our event to the community. If you are interested in volunteering, please contact:

**Janene Centurion [danjan22@hotmail.com](mailto:danjan22@hotmail.com), or  
Ann Curtis [accurtis1@gmail.com](mailto:accurtis1@gmail.com).**

The Pioneer Band Association has used QuickBooks Pro® accounting software since 2001 to manage our general finances. That same year, we began using ServantKeeper® for both our database management (Membership module) and our student account management (Contribution module). While this combination of software programs served us well for many years, there were several inefficiencies that made our logistics and administrative tasks cumbersome. The Executive Board now feels we can benefit greatly by switching over our student account management to our existing QuickBooks Pro® file supplemented with the QuickBooks Billing Solutions program.

We think this will be a win-win change, since it will make simple and secure online payments possible for our members, while streamlining the billing and money handling process for our PBA Co-Treasurers. (They will still have a lot of work to do in this volunteer role, so be sure to thank Jill and Ed when you can!) This system will also relieve our PBA President of a long-standing burdensome task of collecting and processing payments. (Thank Gloria, too, because her plate remains full with other duties!)

We have had a QuickBooks Merchant Account for the past several years, allowing us to process Visa and MasterCard payments (credit or debit cards). Billing Solutions works with our merchant account to bring the power and convenience of online invoicing and payments. Briefly, here's how it works:

We will e-mail invoices to you for all the usual charges such as program fees, band camp fees, tour fees, and apparel purchases. We will also issue credit memos for fundraising earnings and scholarship awards. We will follow up regularly with statements and reminders to help you stay current with you account.

Through a link in our e-mails, you will be able to access a password-protected online Customer Account Center. You will be invited to create a login to gain access to the Customer Account Center where you can view billing history, print invoices, set payment reminders and make credit card payments. You will only be able to see your own account information. You can also send us e-mails right from the Customer Account Center should you have any questions. Help is also automatically provided for general "How do I...?" questions. Obviously, you will have 24/7 access to the Customer Account Center. (If you don't use e-mail or the internet for making payments, we can mail you invoices and include a convenient payment stub and return envelope.)

With one click, our treasurers will be able to download the record of all payments made through Billing Solutions directly into QuickBooks, saving time and ensuring accuracy. All data transmitted to the QuickBooks Billing Solutions' servers uses SSL encryption. The data is protected behind high-security firewalls, regularly backed up, and all servers are monitored around the clock for proper operation.

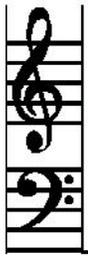

We will get this new program underway this year. Please be patient as we work through the start up process and all of us go through a learning curve. We will look forward to reaping the benefits of Billing Solutions not only in the 2008-2009 season, but also as we prepare for another tour year in 2009-2010. Feel free to contact me or any of the PBA officers if you have questions or concerns.

## ***PTO THRIFT SHOP NEWS:***

Volunteering at the PTO Thrift Shop is a wonderful opportunity for students to earn money toward Band Camp, Band Trips, and General Band Expenses. Students or their parents can sign up to work 2 hour shifts, 2 shifts per week. The sign-ups are done on a "rolling schedule". This means the next 30 days are always available to sign up for. A new week is put out every Monday morning.

Starting Sept. 1st, a new requirement will be in force. All students ages 14-17 must have a work permit to work at the PTO Thrift Shop. Permits can be obtained from the school office. Watch for more information on this in the upcoming newsletter.

The good news is that there will now be 3 payout dates per year! The dates will be: Sept. 1st, Jan. 1st, and May 1st. More payout dates means that hard earned money is more accessible to our band families.

The PTO Thrift Shop is located at 2280 S. Industrial.  
Hours: M-F 9-6, Sat. 9-6, Sun. 11-5  
Phone: 996-9155
